Dear Member,

Once again its time to renew your membership at the Waipu Golf Club. CPI increased over the past year by 5.3%, however 2.3% of that related to the GST increase. Therefore the Board has agreed to an increase in the membership subscription and both the Machinery and Building Levies of 3.0% only this year. There are some prompt payment **discounts** available if the subscription is paid by 30th November 2011 – see the table below. We invite you to renew your membership in any of the categories listed below. Although your current subscription will not lapse until 31 January 2012, our financial year ends 30th September and payment of your 2012 subscription early will greatly help the management of club funds. Should you wish to pay by installments you must sign up for Debit Success, either at the Golf Shop or with myself by 31 January 2012 at the latest. **No installment arrangements other than Debit Success will be entered into.** If you are already paying your sub with Debit Success, you will receive a letter advising you of the new repayment from 1st February. Unpaid subscriptions at the 31 January 2012 will result in you being ineligible to participate in club competitions and will result in your handicap being lapsed in Dot Golf. NZ Golf and Golf Northland levies are the amounts we pay on your behalf to belong to these associations. Club members in Dot Golf at 31 December each year attract the levies we **have to pay for this compulsory membership.**
